2717 (60+ min)	\$450.00	\$156.45	\$293.55

Cancellations

We understand that circumstances sometimes change and are accommodating to this. However, failure to attend scheduled appointments results in our Doctors' time being underutilised and reduces the opportunity for other patients to be seen. A fee equivalent to a standard consult (level 23) may be charged for repeated cancellations at short notice (within 24 hours) or non-attendance of appointments. Cancellation fees have no Medicare rebate.
