

Billing policy & fee information

From 1 July 2024

Doctors practicing at Ochre are independent practitioners and they now bill privately. This means patients will be charged a fee that is higher than the Medicare rebate for their consultation, in other words the Medicare rebate patients receive after paying their bill will only cover part of the total cost. These billing arrangements apply to both face-to-face and telehealth (video and phone) consultations. Pensioners, health care cardholders and students with valid identification **may** be eligible for the discounted fees below and DVA (Gold Card only) cardholders are bulk-billed.

	Consultation fee	Discounted fee	Medicare rebate
Brief	\$45.00	\$33.85	\$19.60
Standard	\$97.00 - \$102.00	\$66.40	\$42.85
Long	\$135.00 - \$180.00	\$105.10	\$82.90
New patients & long complex	\$175.00 - \$180.00	\$105.10	\$82.90
Prolonged	\$173.00 - \$180.00	\$143.00	\$122.15

Fee payments

Fees are payable at the time of your consultation.

We have systems in place for our friendly team to process your Medicare rebate claims on the spot.

Weekends, public holidays and after hours services

Fees may vary for consultations occurring on weekends and outside our normal business hours. These costs will be provided by our friendly reception team.

Additional treatment room usage and card payment fees

Patients who need to visit our treatment room may be charged a fee for the services they receive in addition to their consultation fee. This fee covers the care provided by our nurses, including dressings, wound care and other procedures.

We also pass on the transaction processing fee to patients who choose to pay by card at the level we are charged. This applies to credit cards, debit cards and EFTPOS, including payments made via electronic devices.

Results reviews and other services

Some services such as reviews of results or follow-up appointments may be bulk-billed. Other services like procedures, tests and vaccinations may incur additional costs. You will be informed of these in advance.

Worker compensation, insurance and occupational health

We do not bill WorkCover directly unless you have a letter accepting your claim that includes a claim number and billing information. If you do not have such a letter, we will bill you as normal and you will need to seek reimbursement from your employer or WorkCover.

Cancellation policy

If you are unable to attend your scheduled appointment, please contact us to change your appointment time or cancel. We require 2 hours notice for cancellations of appointments. A fee of \$50 may be charged for repeated cancellations at short notice or non-attendance of appointments. Please note that this fee is not eligible for the Medicare rebate.
