

Dr Clare Guest

Billing policy & fee information

From 1 March 2026

Dr Clare Guest is an independent practitioner and bills privately. This means patients will be charged a fee that is higher than the Medicare rebate for their consultation, in other words the Medicare rebate patients receive after paying their bill will only cover part of the total cost. These billing arrangements apply to both face-to-face and telehealth (video and phone) consultations.

	Consultation fee	Medicare Rebate	Out of pocket
Standard	\$139.00	\$43.90	\$95.10
Long	\$239.00	\$84.90	\$154.10
Prolonged	\$339.00	\$125.10	\$213.90
Hourly	\$439.00	\$202.65	\$236.35
Standard skin check	\$249.00	\$84.90	\$164.10
Extended skin check	\$349.00	\$125.10	\$223.90

Fee payments

Fees are payable at the time of your consultation. We have systems in place for our friendly team to process your Medicare rebate claims on the spot.

Weekends, public holidays and after hours services

Fees may vary for consultations occurring on weekends and outside our normal business hours. These costs will be provided by our friendly reception team.

Additional treatment room usage and card payment fees

Patients who need to visit our treatment room may be charged a fee for the services they receive in addition to their consultation fee. This fee covers the care provided by our nurses, including dressings, wound care and other procedures. We also pass on the transaction processing fee to patients who choose to pay by card at the level we are charged. This applies to credit cards, debit cards and EFTPOS, including payments made via electronic devices.

Other services

Other services like procedures, tests and vaccinations may incur additional costs. You will be informed of these in advance.

Worker compensation, insurance and occupational health

We do not bill WorkCover directly. Payment is required on the day of consultation. We will bill you normally and you can seek reimbursement from your employer or WorkCover insurance.

Cancellation policy

If you are unable to attend your appointment, please provide 24 hours notice so that your appointment may be offered to a waitlisted patient. If you cancel your appointment with less than 4 hours notice or you fail to attend your appointment, you will be charged the full appointment fee. Please note that this fee is not eligible for the Medicare rebate.

Your next booking
