Fee payments

Fees are payable at the time of your consultation.
We have systems in place for our friendly team to process your Medicare rebate on the spot.

Surgical fees – excision of lesions/procedures

If a surgical procedure or biopsy is required, the costs of this will be discussed with you at the time of your consultation. Additional costs would include a treatment fee which isn't eligible for a Medicare rebate.
This will be based on the type of procedure, site on the body and type of skin lesion (BCC, SCC, melanoma, cysts etc) You may also choose to be referred to the public health system for surgical treatment of skin cancers.

Cancellation policy

We ask for 24 hours' notice when cancelling or rescheduling appointments. If the practice is closed, please email tuggeranongsq.admin@ochrehealth.com.au. This is so we can offer the appointment to another patient on our waiting list. A $99.00 (non-rebateable fee) will be charged if
24 hrs notice isn't provided
